

# MPRWUC Scholarship SILENT AUCTION

## 6th Annual Silent Auction benefiting the Mid-Pacific Region Water Users' Conference Scholarship

In 2010, the WUC Planning Committee established the Mid-Pacific Region Water Users' Conference Scholarship. The scholarships are awarded annually to students pursuing fields of study offered by the BRAE (BioResource and Agricultural Engineering) and ITRC (Irrigation Training and Research Center) departments at Cal Poly San Luis Obispo.

Your generous donation to our SILENT AUCTION will benefit the Scholarship. Auction items might include, but are certainly not limited to, gift baskets, weekend getaways, use of a vacation rental, wine, merchandise, clothing, gift cards, gift certificates, adventure excursions, etc.

Auction item donors will be recognized at the Conference on signs in the registration area. Auction flyers will be displayed in the registration area where attendees will have the opportunity to bid on each item. Bidding will be open from Wednesday morning of the conference through Thursday's lunch. All proceeds will benefit the Scholarship.
